

Potomac River Partners

Healthcare Compliance Consulting

Potomac River Partners is a specialized management consulting firm focused on the life science industry. We offer actionable solutions to help clients achieve their objectives in a smart, efficient way. Our deep technical expertise and industry knowledge means we can help solve your most complex and pressing problems.

Let our expertise and experience work for you.

Our Solutions

Our sole focus on healthcare compliance sets us apart. We offer specialized capabilities honed from working with global pharmaceutical companies to small and mid-sized biotech and medical device firms.

- Compliance Policies & Standard Operating Procedures
- Training & Communication
- Auditing & Monitoring
- Aggregate Spend/Transparency

Why Potomac River Partners?

We care about our clients. We build lasting relationships by earning your trust and keeping it.

- We enjoy what we do and take pride in our work.
- We see things that others might miss. It comes from bringing a big picture perspective and experience digging into the details.
- We deliver results while remaining true to our values.

Our Values

We live by a simple set of values that represent who we are and what we stand for.

Integrity

We do business fairly and honestly.

Accountability

We do what we say we are going to do.

Professionalism

We treat everyone with respect.

Discretion

We keep client work and interactions confidential.
