WHY POTOMAC

As a pioneer in aggregate spend consulting since 2006, we've helped more than 50 companies launch their transparency programs, enhance their processes, and maintain their systems. Our expertise and solutions have grown to match transparency's evolution from simple reporting in a handful of jurisdictions to become a critical part of your compliance program.

We help build and improve all aspects of your transparency program by providing strategic and tactical support at each stage of reporting.

WHAT WE DELIVER

- **Expertise you can trust:** Our experienced team offers insights into industry trends and best practices
- **Increased productivity:** We handle the day-to-day so you can focus on the big picture
- **Peace of Mind:** We ensure audit-ready data so you can rest easy
